H. Peak Surcharge – Other charges⁷

A Peak Surcharge will apply to Large Packages,⁴ packages that are Over Maximum Limits,⁴ and packages that require Additional Handling,⁴ for qualifying customers who at any point during the Peak Period ship more than 1,000 packages per week or ship more than 10 packages per week that otherwise qualify for any of these Peak Surcharges.⁷ The Peak Surcharges set forth below will apply to all U.S. domestic, U.S. import, and U.S. export shipments, for all origins and destinations, in the amounts set forth below during the specified Peak Period.

Other Charges	Peak Period: October 4, 2020 to January 16, 2021
Additional Handling	\$5 per package.
Large Package	\$50 per package
Over Maximum Limits	\$250 per package

³ This Peak Surcharge applies where the customer's volume of Large Packages for the week immediately prior to the applicable invoicing period exceeded 500 packages, as determined by UPS in its sole and unlimited discretion. The Peak Surcharge applies to all Large Packages for the applicable weekly invoice period. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion. Effective October 4, 2020, the Peak Surcharges set forth in section H will apply to Large Packages for qualifying customers, as set forth below.

⁴ As described in the UPS Rate and Service Guide and the UPS Tariff/Terms and Conditions of Service.

⁵ Applies to customers whose combined volume of Air Residential, Ground Residential, and SurePost packages exceeds 25,000 packages in any week during the Peak Period, regardless of the volume of customer's shipments for any particular service level. Once this threshold has been met, the Peak Surcharges apply for the remainder of the Peak Period to all service levels. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.

⁶ Peak Surcharge applies to all packages in any weekly invoice period exceeding 110% of the customer's average weekly volume for the applicable service level for February (February 2 through February 29, 2020), as determined by UPS in its sole and unlimited discretion. For holiday weeks that are not full UPS operating weeks (including Thanksgiving, Christmas, and New Year's), the surcharge will apply to all packages in that weekly invoice period exceeding 110% of the customer's average daily volume for the applicable service level for February (February 2 through February 29, 2020) multiplied by the number of full UPS operating days in that week, as determined by UPS in its sole and unlimited discretion. If customer's average weekly volume for the applicable service level for September (August 30 through October 3, 2020) is less than 80% of its average weekly volume for February (February 2 through February 29, 2020), as determined by UPS in its sole and unlimited discretion, then for the remainder of the Peak Period the Peak Surcharge for that service level will apply to all packages in any weekly invoice period exceeding 110% of the customer's average weekly volume for September. Customer's volume includes any affiliated accounts and other accounts related to customer, as determined by UPS in its sole and unlimited discretion.

⁷ Applies to customers who (1) ship more than 1,000 total packages in any week during the Peak Period, or (2) ship more than 10 packages combined that are Large Packages, Over Maximum Limits, or require Additional Handling in any week during the Peak Period. Once this threshold has been met, the Peak Surcharges apply for the remainder of the Peak Period to all Large Packages, packages that are Over Maximum Limits, and packages that require Additional Handling
