

**To verify if your data is sent successfully to UPS:**

Step	Window (if available)
<p>1. In the Shipment History window, select the End of Day process identified by date and time under UPS Pickups.</p>	 <p>The screenshot shows the UPS WorldShip application window. The 'UPS Pickups' tree view is expanded, and 'Saturday's Pending Pickup' is selected. The status bar at the bottom right indicates 'Log has 1 dated shipment(s)'.</p>
<p>2. The status appears on the status bar in the lower right of the window.</p> <p>The message "Data Sent" appears on the status bar if the End of Day data was sent successfully.</p>	 <p>The screenshot shows the same UPS WorldShip application window. The status bar at the bottom right now displays 'Data Sent: 1 total shpmt(s) Pickup Rec: 0350394 00 4', indicating successful data transmission.</p>

3. If the message **NOT SENT** appears in red next to the date and time or if the message Data Not Sent appears on the status bar, the End of Day process was not successful.  
Resend your data to UPS.
